Numatic Nu-Design

The Nu-Design configurator guides you through a product configuration process, providing a visual output and configuration breakdown at each selection. The result, a reliable, functional and innovative cleaning system that fits your needs precisely.

How it works

1. Select your trolley base and castor options
2. Pick storage options that meet your needs exactly
3. Choose your mopping system, waste options, accessories and personalisation
4. Submit for itemised breakdown and quote.
